Admission to the airbase

Since we are guests on the Deelen airbase we need to advise the KLU (Royal Dutch Airforce) well in advance who will be attending the competition and also of all non-competitors you bring along to watch or help. This means you need to advise us of helpers, wives, husbands and children etc you want to bring with you onto the airbase. So if you don't want to leave someone standing at the entrance gate the whole weekend.....

Make sure you send us the required information. P.S. Pets are not allowed on the airbase.
